

ALL ABOUT PARTIES

PARTIES AT GYMNASTICS ETC. are great fun. As soon as you tell us the age and number of guests, we get started. We start the party out (after stretching) with an obstacle course that is age appropriate. While the party people are going through this part of the party, you can be setting up whatever you have decided to have for refreshments. This portion of the party usually takes about 30 - 45 minutes.

We will have our Dance Room set up for your refreshments and for opening all those great "Birthday Presents". If you are using a special theme, you may add some decorations or your choice.

While the gifts are being opened, we remove the obstacle course and get ready for games, races, and parachute fun. During the rest of the party time you can tidy up the Dance Room.

Party guests should arrive no earlier than 15 minutes before the arranged party time and be ready to leave no later than 15 minutes after the finish of the party.

If a longer party time is needed, we will adjust the rate according to the additional time required.

For scout badges, or any party, we can have a dance session or whatever you would like for us to do. Just tell us what you need and we will do all the work.

COST OF PARTY: \$150.00 for 1 ½ hours. This price is for up to 10 people. Each additional person will be charged \$8.00.

You can book your party today with a \$50.00 deposit.
